

tesseract_scene_graph
::StateSolver

```
graph BT; KDL[tesseract_scene_graph::KDLStateSolver] --> State[tesseract_scene_graph::StateSolver];
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom represents the base class, and a white box at the top represents the derived class. A blue arrow points from the base class box to the derived class box, indicating that the derived class inherits from the base class.
